Be careful of the following when referring to the Service Manual

PURPOSE: In conjunction with the changes in production stronghold locations, product composition and parts have also changed. Therefore, we have issued a new Service Manual. Because there are 2 Service Manuals for the same product, refer to the serial number of the unit to determine which manual to use.

CONTENTS: The Service manual of **PA 011696** should be used for the goods whose manufacture number is 7 figures.

The example of a manufacture number
KL01001
7 figures

The Service manual of **PA 011749** should be used for the goods whose manufacture number is 9 or more figures.
