- Votes on your polls
- Likes your post
- Mentions you (@vintagekiki) in a post
- Quotes you in a post

Discussions

- Replies to your discussion (this also includes comments in your topics)
- Comments on your discussion

Private Message

Receive Email Notification of new Private Messages

This setting allows you to be notified via email of new private messages. The setting is independent of other notification options.

Birthday Email

Receive Birthday Email

This allows you to receive a happy birthday email message on your birthday. This setting is independent of other notification options. The option *Receive Email from Administrators* in the *Account* tab must also be enabled in order to receive a birthday email.
